A PEAK INTO OUR LAST MONTH'S ACCOMPLISHMENTS

Spring Camp AY 23-24

This Spring Camp at EKCEN was a vibrant hub of learning and exploration for young minds. Nestled amidst blooming flowers and budding trees, children immersed themselves in nature's wonders. They delighted in outdoor activities like scavenger hunts, plant identification games, and Ramadan vibes. Guided by enthusiastic educators, they learned about the lifecycle of plants and animals, fostering a deeper connection to the natural world. Creative arts and crafts sessions allowed them to express their newfound knowledge and crafting flower crowns. The camp was not just a place of fun but also a space where curiosity blossomed, igniting a lifelong love for the environment.
