A PEAK INTO OUR LAST MONTH'S
ACCOMPLISHMENTS

My Healthy Food and Drink

Our team took the initiative to teach our children more about the different types of food: healthy and unhealthy, according to their age group.

We have also invested various activities in order to make them more familiar with the types and names of vegetables, fruits, dairy products, and much more, where they learnt more about them on our Healthy Day which was held on the 25th of January, 2024.
