A PEAK INTO OUR LAST MONTH'S ACCOMPLISHMENTS

Our Senses

Our team took the initiative to introduce the children to the five different senses that humans have and their importance on daily use.

The children were brought altogether to learn and use their different senses in two activities, where the first is the Musical Day which took place on the 18th of October, 2023, and our Tasting Competition which took place on the 25th of October, 2023.

Our External Renovation

NEW MARKETING BOARDS!

We have renovated our exterior marketing bulletin boards, which include most of our eye-catching information about EKCEN!

More Into the Play Area...

NEW ADDITION TO OUR INDOOR PLAY AREA

We have specified in our indoors a section for the kitchen appliances where our children can express all their culinary skills!

Happy Flag Day, UAE!

EKCEN would like to renew our commitment to the principles of unity, tolerance, and inclusivity. We pledge to continue building a brighter future for the UAE and for generations to come. The UAE flag reminds us that we are all partners in the nation's development, and it is our collective responsibility to preserve and protect the legacy of our founding fathers.

Our Upcoming Learning Theme
